

SUMEDHA MALI

UI/UX Designer

sumedhamali284@gmail.com | +977 9823170241 | Kathmandu, Nepal

SUMMARY

Creative UI/UX Designer with a strong foundation in graphic design and a passion for building intuitive, user-centered digital experiences. Proficient in Figma, Framer, Adobe Photoshop, Illustrator, and Canva, with hands-on experience across branding, wireframing, prototyping, and responsive interface design. Dedicated to combining creativity, usability, and visual storytelling to deliver impactful design solutions.

EXPERIENCE

UI/UX Designer

Jun 2024 — Dec 2024

Medics Nepal, Nepal

- Designed intuitive interfaces that enhanced user engagement, collaborated with developers to streamline design processes and reduce turnaround time, and created wireframes and prototypes that improved usability testing scores.
- Created wireframes and user flows to ensure an intuitive and user-friendly experience.
- Conducted user research and translated insights into effective design solutions.
- Collaborated directly with clients to gather requirements, present design concepts, and incorporate feedback throughout the design process.
- Worked closely with the development team to ensure accurate implementation of designs and smooth in-app communication.
- Designed promotional posters, offer banners, and marketing creatives while maintaining brand consistency across digital platforms.

Graphic Designer

Apr 2025 — Sep 2025

Orchard Institute, Nepal

- Created user-friendly layouts that enhanced website usability and traffic.
- Led design workshops that improved team creativity and project outcomes.
- Executed branding projects that enhanced company identity and visibility.
- Produced high-quality graphics for digital and print media, boosting sales.

ACADEMIC PROJECTS

Flat Mate — Rental Management System (UI/UX Design & Full-Stack Development)

Designed and developed a comprehensive rental management platform using Figma for UI/UX design and the MERN Stack (MongoDB, Express.js, React.js, Node.js) for development. Created responsive and user-friendly interfaces for the landing page, home page, authentication (login/sign-up), and dedicated dashboards for Admin, Tenant, and Landlord users. Designed and implemented profile management, favourites, accessibility features, dark/light theme switching, real-time location tracking, in-app messaging, contact and about pages, and property management functionalities. Focused on creating an intuitive user experience through wireframing, prototyping, responsive design, and user-centred workflows.

Blood Donation Management System (UI/UX Design & Full-Stack Development)

Designed and developed a blood donation management platform with dedicated modules for Donors, Users, and Administrators. Created the complete UI/UX in Figma and developed the application using the MERN Stack. Implemented responsive authentication, user dashboards, donor registration, blood request management, profile management, administrative controls, and intuitive navigation, ensuring a seamless and accessible user experience.

E-Commerce Website (Frontend Development)

Designed and developed a responsive e-commerce website with a clean, user-friendly interface using HTML, CSS, and JavaScript. Implemented intuitive navigation, responsive layouts, and interactive components while ensuring cross-browser compatibility and optimal performance.

Landing Page UI Designs

Designed modern, responsive landing pages for travel and aquatic-themed websites using Figma and Framer. Created visually engaging layouts, interactive prototypes, user-focused navigation, and responsive interfaces while applying modern UI/UX principles and design systems.

EDUCATION

Bachelor of Computer Science (BCS)

Herald College, Naxal, Kathmandu

Aug 2023 — Jul 2026

+2 (Higher Secondary Education)

Uniglobe College, Kamaladi, Kathmandu

TECHNICAL SKILLS

- **Design Tools:** Figma, Framer, Adobe Photoshop, Canva
- **UI/UX Design:** User Research, Wireframing, Interactive Prototyping, Responsive Design, Information Architecture, User Flows, Design Systems

SOFT SKILLS

- Team Collaboration
- Communication & Presentation
- Time Management
- Problem Solving
- Critical Thinking
- Attention to Detail
- Creativity
- Adaptability
- Client Communication
- User-Centred Design Thinking
